# GET TO KNOW ME!

Evan Hatchel | I.T/Backup HR

## Plant 7

**What's a book, movie, or TV show that had a significant impact on you and why?**

The Chosen has been a great show to watch. I am a visual learner as it helps me comprehend things better. The Chosen is one of the shows that shows the story of the Bible incredibly!

**If you could travel anywhere in the world, where would you go and why?**

I would like to visit Iceland and experience the Northern Lights!

**What's a skill or hobby you've always wanted to learn but haven't had the chance to yet?**

I have always wanted to know how to speak another language! Spanish would be fun.

**What's something that always brings a smile to your face, no matter how bad your day has been?**

When I get to read the Bible, it allows me to connect and self-reflect on how to look at the bad days as learning days.

**If you could have dinner with any person, living or dead, who would it be and why?**

Either Cliff or Stuart Knechtel. Both are smart and wise people I would love to sit and just chat with!

**What's a goal or dream you're currently working towards or would like to achieve in the future?**

A goal I have is to better articulate my thoughts. I have been learning to remove filler words from my speech to help with that!

**What's a food or cuisine you could eat every day and never get tired of?**

If I could have a large bowl of macaroni and cheese every day I would.

**What's a small, everyday thing that never fails to make you happy?**

Being able to come home and spend time with my family. Whether we are watching movies or just talking.

**If you had a day entirely to yourself with no responsibilities or commitments, how would you spend it?**

Relax. Take a break ~~haha~~!
